Please join us for the ITE Central Coast Section Vendor Show Meeting on November 13, 2025, at the City of Ventura, Community Meeting Room!

This event will be a great opportunity for members to meet vendors and learn about new technology and services that may be useful in their daily transportation needs. Vendors will also be giving a short presentation to further showcase their products and services. **Lunch will be provided!**

Thank you to our participating vendors!

NexTech Systems

South Coast Lighting & Design

Quality Counts

Econolite

National Data & Surveying Services

Teledyne FLIR

AM Signal

RLH Industries

Virtual Attendance: Interested in participating virtually? Please reach out directly to Mark Bueno (mbueno@toaks.gov). We'll make it happen if there's enough interest!
